

# WHY UPGRADE FROM A PDF READER TO A PDF EDITOR

We asked customers what they use their PDF editors for. You can't do all this in a PDF reader, so if these functions would help you, you might want to upgrade, too!

Edit PDF  
**69%**

Create PDFs from scanning hardcopy  
**49%**

Organize PDF documents (move, delete, add, flatten, crop, extract pages)  
**57%**

Convert other file formats to PDF  
**71%**

Provide comments on PDF documents  
**24%**

Secure/sign PDFs  
**9%**

Create PDF forms  
**18%**

Export PDFs to other file formats  
**19%**
